

Terms of Use

Welcome to Wamsport!

We expect those who use Wamsport to understand and value the idea of connecting recreational athletes with sports clubs, teams and communities, respecting the content and dignity of other users and upholding common human values while using Wamsport.

These Terms of Use govern your use of Wamsport and provide information about Wamsport, outlined below. When you create a Wamsport account or use Wamsport, you agree to adhere to these terms.

The Wamsport Service

We agree to provide you with the Wamsport Service. The Service includes all of the Wamsport products, features, applications, services, technologies, and software. The Service is made up of the following aspects (the Service):

- Offering personalized opportunities to create, connect, communicate, discover, and share.

We build systems that try to understand who and what you and others care about, and use that information to help you create, find, join, and share experiences that matter to you. Part of that is highlighting content, features, offers, and accounts you might be interested in, and offering ways for you to experience Wamsport, based on things you and others do on Wamsport.

- Fostering a positive, inclusive, and safe environment.

We develop and use tools and offer resources to our community members that help to make their experiences positive and inclusive, including when we think they might need help. We also have teams and systems that work to combat abuse and violations of our Terms and policies, as well as harmful and deceptive behavior. We use all the

information we have-including your information-to try to keep our platform secure. We also may share information about misuse or harmful content with Wamsport or law enforcement. Learn more in the [Data Policy](#).

- Developing and using technologies that help us consistently serve our community.

Organizing and analyzing information for our growing community is central to our Service. A big part of our Service is creating and using cutting-edge technologies that help us personalize, protect, and improve our Service on an incredibly large scale for a broad global community. Technologies like artificial intelligence and machine learning give us the power to apply complex processes across our Service. Automated technologies also help us ensure the functionality and integrity of our Service.

- Connecting you with brands, products, and services in ways you care about.

We use data from Wamsport, as well as from third-party partners, to show you ads, offers, and other sponsored content that we believe will be meaningful to you. And we try to make that content as relevant as all your other experiences on Wamsport.

- Research and innovation.

We use the information we have to study our Service and collaborate with others on research to make our Service better and contribute to the well-being of our community.

The Data Policy

Providing our Service requires collecting and using your information. The Data Policy explains how we collect, use, and share information. It also explains the many ways you can control your information, including in the Wamsport Privacy. You must agree to the Data Policy to use Wamsport.

Your Commitments

In return for our commitment to provide the Service, we require you to make the below commitments to us.

Who Can Use Wamsport

We want our Service to be as open and inclusive as possible, but we also want it to be safe, secure, and respectful to law. So, we need you to commit to the following in order to be a part of the Wamsport community:

- You must be at least the minimum legal age in your country to use Wamsport.
- You must not be prohibited from receiving any aspect of our Service under applicable laws or engaging in payments related to Services if you are on an applicable denied party listing.
- We must not have previously disabled your account for any violation of law or any of our policies.
- You must not be a convicted sex offender.

How You Can't Use Wamsport

Providing a safe and open Service for a broad community requires that we all do our part.

- You can't impersonate others or provide inaccurate information.

You don't have to disclose your identity on Wamsport, but you must provide us with accurate and up to date information (including information you provide on signing up for Wamsport). Also, you may not impersonate someone you aren't, and you can't create an account for someone else unless you have their express permission.

- You can't do anything unlawful, misleading, or fraudulent or for an illegal or unauthorized purpose.
- You can't violate (or help or encourage others to violate) these Terms or our policies, including in particular the [Wamsport Platform Policy](#). Report conduct or content using our Support and Report forms.[1]
- You can't do anything to interfere with or impair the intended operation of the Service.
- You can't attempt to create accounts or access or collect information in unauthorized ways.

This includes creating accounts or collecting information in an automated way without our express permission.

- You can't attempt to buy, sell, or transfer any aspect of your account (including your username) or solicit, collect, or use login credentials or badges of other users.
- You can't post private or confidential information or do anything that violates someone else's rights, including intellectual property.

Report content that you think infringes your intellectual property rights using the [Contact us](#) form.

- You can't use a domain name or URL in your username without our prior written consent.

Permissions You Give to Us

As part of our agreement, you also give us permissions that we need to provide the Service.

We do not claim ownership of your content, but you grant us a license to use it.

Nothing is changing about your rights in your content. We do not claim ownership of your content that you post on or through the Service. Instead, when you share, post, or

upload content that is covered by intellectual property rights (like photos or videos) on or in connection with our Service, you hereby grant to us a non-exclusive, royalty-free, transferable, sub-licensable, worldwide license to host, use, distribute, modify, run, copy, publicly perform or display, translate, and create derivative works of your content (consistent with your privacy and application settings). You can end this license anytime by deleting your content or account. However, content will continue to appear if you shared it with others and they have not deleted it. To learn more about how we use information, and how to control or delete your content, review the Data Policy.

- Permission to use your username, profile picture, and information about your relationships and actions with accounts, ads, and sponsored content.

You give us the permission to show your username, profile picture, and information about your actions next to or in connection with accounts, ads, offers, and other sponsored content that you follow. You agree that we can download and install updates to the Service on your device.

Additional Rights We Retain

- If you select a username or similar identifier for your account, we may change it if we believe it is appropriate or necessary (for example, if it infringes someone's intellectual property or impersonates another user).
- If you use content covered by intellectual property rights that we have and make available in our Service (for example, images, designs, videos, or sounds we provide that you add to content you create or share), we retain all rights to our content (but not yours).
- You can only use our intellectual property and trademarks or similar marks as expressly permitted with our prior written permission.
- You must obtain written permission from us or under an open source license to modify, create derivative works of, decompile, or otherwise attempt to extract source code from us.

Content Removal and Disabling or Terminating Your Account

- We can remove any content or information you share on the Service if we believe that it violates these Terms of Use, our policies or we are permitted or required to do so by law. We can refuse to provide or stop providing all or part of the Service to you (including terminating or disabling your account) immediately to protect our community or services, or if you create risk or legal exposure for us, violate these Terms of Use or our policies, if you repeatedly infringe other people's intellectual property rights, or where we are permitted or required to do so by law. If we take action to disable or terminate your account, we will notify you where appropriate. If you believe your account has been terminated in error, or you want to disable or permanently delete your account, consult our Support.
- Content you delete may persist for a limited period of time in backup copies and will still be visible where others have shared it. This paragraph, and the section below called "Our Agreement and What Happens if We Disagree," will still apply even after your account is terminated or deleted.

Our Agreement and What Happens if We Disagree

Our Agreement

- Your use of our API is subject to our Platform and Data Policy. By agreeing Terms of Use you also agree to our Platform and Data Policy. If you use certain other features or related services, additional terms will be made available and will also become a part of our agreement. If any of those terms conflict with this agreement, those other terms will govern.
- If any aspect of this agreement is unenforceable, the rest will remain in effect.
- Any amendment or waiver to our agreement must be in writing and signed by us. If we fail to enforce any aspect of this agreement, it will not be a waiver.
- We reserve all rights not expressly granted to you.

Who Has Rights Under this Agreement

- This agreement does not give rights to any third parties.
- You cannot transfer your rights or obligations under this agreement without our consent.
- Our rights and obligations can be assigned to others. For example, this could occur if our ownership changes (as in a merger, acquisition, or sale of assets) or by law.

Who Is Responsible if Something Happens

- Our Service is provided "as is," and we can't guarantee it will be safe and secure or will work perfectly all the time. TO THE EXTENT PERMITTED BY LAW, WE ALSO DISCLAIM ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT.
- We also don't control what people and others do or say, and we aren't responsible for their (or your) actions or conduct (whether online or offline) or content (including unlawful or objectionable content). We also aren't responsible for services and features offered by other people or companies, even if you access them through our Service.
- Our responsibility for anything that happens on the Service (also called "liability") is limited as much as the law will allow. If there is an issue with our Service, we can't know what all the possible impacts might be. You agree that we won't be responsible ("liable") for any lost profits, revenues, information, or data, or consequential, special, indirect, exemplary, punitive, or incidental damages arising out of or related to these Terms, even if we know they are possible. This includes when we delete your content, information, or account.

How We Will Handle Disputes

If you are a consumer, the laws of the country in which you reside will apply to any claim, cause of action, or dispute you have against us that arises out of or relates to these Terms ("claim"), and you may resolve your claim in any competent court in that country that has jurisdiction over the claim. In all other cases, you agree that the claim must be resolved exclusively in the U.S. District Court for the Northern District of California, that you submit to the personal jurisdiction for the purpose of litigating any such claim, and that the laws of the State of California will govern these Terms and any claim, without regard to conflict of law provisions.

Unsolicited Material

We always appreciate feedback or other suggestions, but may use them without any restrictions or obligation to compensate you for them, and are under no obligation to keep them confidential.

Updating These Terms

We may change our Service and policies, and we may need to make changes to these Terms so that they accurately reflect our Service and policies. Unless otherwise required by law, we will notify you (for example, through our Service) before we make changes to these Terms and give you an opportunity to review them before they go into effect. Then, if you continue to use the Service, you will be bound by the updated Terms. If you do not want to agree to these or any updated Terms, you can delete your account on settings.

Donations

We highly appreciate donations to support the Wamsport team and costs of maintenance and promotion.

- Wamsport does not have access to payment information handled during donations. We do not copy, save or interfere with any payment details you may provide during the transaction session.

- Wamsport uses third-party payment platforms, that are fully responsible for all the transactions, including safety and commission policy. Please contact Support if any issues arise during or after transaction so that we can help you to connect with the responsible party.

Promotion Policy

You cannot use Wamsport to administer a promotion or advertisement of any kind if that was not prior agreed with Wamsport in writing (email, letter etc.). We reserve the right to block content and accounts from which such unauthorized content is posted without the right to rescind our actions.

Terms and conditions, including prices under which Wamsport grants promotion activity are to be negotiated individually before the start of promotion activity on the Wamsport platform. Both parties must hold to the agreements made regarding promotions and avoid violation of them at all costs.

Privacy and Copyright Protection

By agreeing Terms of Use you also agree to Wamsport Privacy Policy. They explain how we treat your personal data and protect your privacy when you use our Services. By using our Services, you agree that Wamsport can use such data in accordance with our privacy policies.

We provide information to help copyright holders manage their intellectual property online. If you think somebody is violating your copyrights and want to notify us, you can contact us in Support.
